Setup job alerts

A Job Alert is an online search of the most recently posted jobs on the job board. When it finds the jobs matching the criteria you set, you will receive an email notification containing all those jobs. This is a great tool as it does not require you to view the job board every day to look over the new jobs that have been posted, instead, the postings will be sent straight to you.

Upload your resume and request a resume review

Your resume can make or break landing the interview. While it is important that your resume is current and complete, it is also important that it stands out.

The **FREE Resume Critique** service allows you to get your resume reviewed by a resume-writing expert. Within a few days of submitting your resume, you will receive an evaluation outlining your strengths, weaknesses, and suggestions to ensure you have the best chance of landing an interview.

Whether you are a recruiter or a candidate, the Career Center Name is the #1 career destination to find the best jobs and talents in the planned giving field. Create your account today at <https://lacgp-jobs.careerwebsite.com/> to enjoy the awesome benefits this job board can offer.
